## FINANCIAL POLICY PLEASE READ

Payment of charges is due at the time service is rendered, with the exception of HMO and PPO contracts. The patient will be given itemized receipts that will be sufficient to submit to an insurance company for reimbursement. In the event of a hospital admission and/or surgery, the office will file the charges to your insurance company, as a courtesy. However, financial responsibility remains with the patient. Any amount not covered by the insurance company is due from the patient. Accounts that have balances that are over 90 days past due could possibly be turned over to a collection agency unless previous arrangements have been made.

### HMO & PPO CONTRACTS

The office will file charges for the plans we participate with. Co-payments are due at the time services are rendered.

### MEDICARE

The Ear, Nose, Throat and Plastic Surgery Associates accepts assignment on all Medicare claims. Please provide us with any additional insurance coverage you may have.

### PATIENT RESPONSIBILITY

**All patients are responsible for knowing the requirements of their insurance plans, including which labs and radiology facilities they may use, what services are covered, etc. Our staff will assist our patients, but we cannot be responsible for knowing or interpreting the benefits of each individual policy.**
